## “God’s Politics”

by Sojourners founder Jim Wallis,

& donated to this library by former Moderator Lord Jim Wallace!

How personal faith relates to  
political hope,  
and how we should hold both ourselves  
and political parties accountable to  
the challenge of Micah,  
to  
'do justice, love kindness  
and walk humbly with your God.'

## “Our Faithful Queen”

*“The whole of life is a journey to God.” (late Queen Elizabeth)*

This short pictorial portrait draws on prayers and Bible Readings she mediated upon as she prepared for her exemplary life as Queen.
